

17 May 2024

Dear Parents & Carers,

Climate Leaders

The Oakmoor Climate leaders under the guidance of Sian at the Whitehill and Bordon Community Trust and the amazing volunteers have been learning how to grow vegetables this term. They have been using the Poly tunnel at Building 94 and now have healthy tomato, lettuce, courgette, peas and many other vegetable seedlings growing and ready to be transplanted to the planters at school. We hope to be able to pass our vegetables on to the canteen to use in our school food (slugs and snails permitting!)

Oakmoor Charity Plant Sale

Naomi House & Jackspace is the only hospice for young adults in our region, offering the care and support they need, but also giving them the independence they often crave. They achieve this through 24 hour nursing care alongside activities and social events, both at the hospice and further afield.

In recent years, major developments in medicine and care have meant that more children can now be expected to reach adulthood. As a result, Jackspace was built in 2010 as a hospice to offer care specifically for young adults aged 16 and over.

To help support the hospice we are selling vegetable plants including Cherry Tomatoes, Cucumbers, Sweet Peppers, Chillies, Runner beans and Sunflowers. Your child can purchase them for £2 at school.

National Teenage Self Esteem Month

This week our assemblies have been focussing on building students self-esteem in conjunction with the national teen self-esteem month. Our key message has been focussing around being yourself. The assembly can be viewed [here](#).

Dates for your diary

Just a reminder of some key events coming up.

Date	Event
Friday 24 May	Finish for the May Half term at 2:45pm
Monday 3 June	Students return for half term 6

Yours faithfully,

Mr Nigel Wright
Headteacher
