19 July

Dear Parents & Carers,

Enrichment week

Oakmoor's inaugural Enrichment Week was a vibrant tapestry of activities that celebrated creativity, exploration, and teamwork. Students from different year groups embarked on various adventures, from trips to Butser Farm and Bognor Regis for Year 7, to thrilling outdoor activities like Go Ape for Year 9.

Year 8 enjoyed a trip to Calshot, while Year 10 had enriching experiences at the University of Chichester and the excitement of Thorpe Park. Onsite, students engaged in a myriad of workshops, including science experiments, music sessions, arts and crafts, and even military drills. Fun-filled activities like escape rooms, circus skills, and video game coding ensured there was something for everyone.

Enrichment Week truly showcased our commitment to providing a holistic, stimulating, and joyful educational experience.

Family fun days

There are a number of family fun days and summer programmes for students to get involved in which have been attached in addition to this letter.

Year 8 Key Stage 4 Options

These have been emailed to your child today indicating the Key Stage 4 options that your child will begin next academic year.

Kids Eat Free this summer

Money Saving Central have helpfully put together a guide to where children can eat for free, or for £1, this summer. To see the list please view [here](#).

Loki – Therapy Dog

In our continued effort to support our students this week we had Loki who is a black golden retriever cross come into school. Starting in September Loki will be working with our students for one hour a week. Loki is specifically trained to work in schools and has been specifically trained to listen to students read.
