Year 9, 10 and 11 Academic and Wellbeing Information Evening

Dear Parents and Carers,

We would like to invite you to attend our KS4 Academic and Wellbeing Information Evening which will run from 6:00-8:00pm on Thursday 18 September 2025. Although it is not compulsory, we would recommend your child attends the evening with you. This will help us to be clear about how we can all work together to support their wellbeing and academic progress throughout the coming year and strive to achieve the best outcomes possible for them.

The purpose of the evening will be to provide you with:

- Key curriculum information, including signposting the learning journeys your child will go on in each subject
- An overview of the extra-curricular opportunities that will be on offer to your child in the coming year
- Key safeguarding and wellbeing information to support students, parents and carers
- An opportunity to meet with your child's tutor for a brief one to one discussion

Please can we ask you to book the presentation that you wish to attend first and then fit your Tutor meeting in around the presentation.

Presentation Times

We will run three presentations during the evening. Each will be slightly different, depending on the year group, but themes will run through all three. If you have children in multiple years, you do not need to attend all of the presentations. I would suggest attending the eldest child's presentation and then come and speak to a member of the leadership team to find out anything that is different for your other child/children. Please click the link to indicate which presentation you will attend. They run at the following times:

- Presentation 1 - Year 9 parents and carers – 6:00-6:30pm

Booking your Tutor Meeting

Once you have booked which presentation you will attend, you will need to book your appointment through our online School Cloud parents evening system to secure your tutor meeting time. Tutor meetings will take place in your child's tutor base at the booked time. We cannot guarantee you a chance to meet your tutor if you do not register through this system. Please click the link below to book your time.

We are looking forward to welcoming you back to Oakmoor and hope that you are able to join us for what we believe will be an informative evening.

As always, thank you for all of your ongoing support as we work together to ensure that your child achieves their full potential in their education at Oakmoor. If you have any questions, please do not hesitate to contact us.

Yours sincerely
